Aldine ISD Grading Policy – 4th Nine-Weeks

April 14, 2020 to May 28, 2020

**Please contact your child's principal, counselor or teacher if you have any questions.*

Grades for Pre-K Students

- Grades will not be recorded for the 4th nine weeks.
- Teachers will engage students in reading, math and other content areas using the Schoology At-Home Learning site.

Grades for K-5 Students

- Grades will not be recorded for the 4th nine weeks.
- Teachers will focus on providing mastery learning activities and providing feedback to students through Schoology.
- The yearly average will be based on the average of the first three nine-week grading periods.

Grades for Middle School Students

- Students will receive no more than five assignments per course that will count toward the 4th nine-weeks grade. These will all be formative grades, with all graded assignments equally weighted within the course.
- Students will have the opportunity to raise their year course average through their 4th nine-week grades.
- Grades in the 4th nine-weeks will not negatively impact student averages.
- There will be no final exams this semester.

Grades for High School Students (Grades 9-12)

- Students will receive no more than five assignments per course that will count toward the 4th nine-weeks grade. These will all be formative grades, with all graded assignments equally weighted within the course.
- For 9th-11th graders:
    - Students will have the opportunity to raise their semester course average and GPA through their 4th nine-week grades.
    - Grades in the 4th nine-weeks will not negatively impact student averages/GPA.
    - The spring semester average will be determined by the 3rd nine-week grade and the higher of the 3rd or 4th nine-week grade.
- For 12th graders, the GPA and rank have been calculated based on the end of the 2nd 9 weeks.
- There will be no final exams this semester.

Additional Grading Information for High School Students (Grades 9-12)

For students that attend Aldine High School, Hall Education Center and Nimitz High School:

- Students enrolled in quarter (9-week) stand-alone credit courses, please note the term stands alone and the grades earned don't average because the 9-weeks term is equivalent to a semester.
- Students are required to submit 10 assignments, which will be averaged together.
- If the grade is above 70 percent, the course credit will be awarded.

For students at Avalos P-TECH School and Victory Early College High School:

- Teachers will continue to maintain all S2 assignments in their grade book.
- There will be five assignments (3 major and 2 daily) entered into the grade book, for the date range for which At-Home Learning is occurring.
- The final semester grade will be the higher of the completed Semester grading including the five At-Home Learning assignments OR the March 6, 2020 progress grade.
- In no way will the At-Home Learning assignments negatively impact a student's grade.
- For dual credit courses, the grade earned for the college course will count as the grade earned for the high school course.
