# ALDINE ISD BOND 2023

- **25%** of Aldine ISD schools are **over 50 years old**, leading to challenges, both from an infrastructure and security standpoint.
- **80.47%** of the dollar value of the 2023 bond program is dedicated to addressing aging facilities and infrastructure.
- **$1.02 billion** in current repairs needed for all campuses
- **$2.7 billion** in total repair needs over the next 10 years

25% of Aldine ISD schools are over 50 years old.
